

## LAND-BASED STUDIES (COUNTRYSIDE & CONSERVATION)

We offer three options for you to gain a career in the countryside and conservation industry depending on your GCSE results. Our Level 3 course offers you the choice of university study or employment on successful completion of your course. Our Level 2 and Level 1 courses are ideal if you would like more time to develop your skills before progressing on to further study.

This sector is all about sustaining, protecting and using the natural environment. So if you love the countryside, are passionate about its protection and conservation, and the livelihoods that rely on its existence, then this is the career for you.

This course is an ideal introduction to countryside and conservation studies, where you will learn the basic skills required to progress to further education in countryside and conservation, arboriculture or horticulture.

As part of your course you will be required to carry out Work Experience and/or an Industry Placement. For more details please [click here.](#)
