

Construction Multi-skills Level 1

This one year, Level 1 course at our Saltash campus is ideal if you are wanting to try a range of trade skills and gain a diploma to lead into an apprenticeship. You'll undertake training and assessment in plumbing, carpentry and bricklaying.

✓ Ideal if

You are aged 16 - 18 and would like to pursue a career within the construction industry.

☰ You'll need

No formal entry requirements.

🎓 You'll learn

Health and safety requirements in construction, basic plumbing, carpentry and bricklaying - both practical and theory.

You will be studying maths and English if you have not achieved the required GCSE grades.

❓ Expect

To attend college 3 days a week.

Assessments will be practical and written, however, 80% of the course is practical.

♥ You'll love

The hands on focus of the course and the wide variety of activities.

🚀 You'll go on to

From this course you can select a pathway that suits you in one of the trade areas, or an apprenticeship if successful.
