COUNSELLING - NEED PERSONAL SUPPORT?

If you run into problems you'll always have a Tutor to support you. But if you feel the need for more support, we have specialist counsellors. This gives you the chance to talk in confidence about personal issues, which affect your studies.

Appointments are always held in a private and relaxed setting, with someone who has no other role in your life, so it's easier to say how you really feel. At your first session you'll talk about any immediate problems, and see if it might help to talk with the counsellor on a regular basis. To make an appointment contact Student Services on your campus.

STUDENT ACCOMMODATION - NEED SOMEWHERE TO STAY?

The College has details of letting agents who can arrange suitable and varied student accommodation near your campus. Contact Student Services for further details.

THE CAREERS AND IAG TEAM

THE SENIOR LEARNING ADVISER TEAM

YOUR TIME AT COLLEGE - EVERYTHING GOING OKAY?

If you have significant concerns and your tutors can't help, or you wish to discuss your studies or the support you are receiving, a Senior Learning Adviser will be available to talk it through and investigate any issues if necessary. There is a Senior Learning Adviser on every campus who will be happy to help you with any issue you may have.

THE PERSONAL LEARNING ADVISER TEAM

If you are aged between 16-18 you will have a Personal Learning Adviser to support and guide you with any aspect of your learning programme or more general needs.

STUDENT UNION (CCSU)

CCSU - WANT TO BE INVOLVED?

CCSU exists to represent your voice and to make sure you have a fantastic time while you are a student with us. Every campus has a team of elected student officers who will be working hard all year, from organising parties to running campaigns, so you'll have plenty of chances to get involved. The Students' Union is one of the best things about the College and you have the power to determine what it's doing!

CCSU is actively involved in:

- Representing students
- Clubs and societies
- Organising parties, events and Freshers' Fairs
- Volunteering work and qualifications
- Running campaigns on campus
- Producing the CCSU magazine and website.

REMEMBER, YOUR UNION,
YOUR VOICE! www.cornwallstudents.org
