A **FREE** mobile app for your business

Hi Cornwall...

Join the the mobile revolution!

More and more businesses are now recognising that the internet is accessed by mobile devices more than PCs and laptops.

*Cornwall College in partnership with Tribal are offering your business the opportunity to have its own **FREE smartphone application**. Our **FREE online training** programme will also give you the skills required to manage and market your app effectively.*

*This ESF funded initiative has already seen **over 2000 businesses** take up this fantastic opportunity to help SMEs meet the ever changing world of digital media.*

*Qualifying businesses must include one learner **between age 16-18**.*
