ACHIEVE

Young Mums Will Achieve

This is an award-winning project for pregnant young women and teenage mums aged between 14 and 19 years old. The group meets twice a week to provide support, guidance and learning in a relaxed environment in the community.

The Young Mums Will Achieve project was set up by Cornwall Council in partnership with Cornwall College and Fit n Fun Kids Limited – the crèche providers. The project offers a wide range of qualifications with free childcare and transport also provided. Develop your English and maths skills, build up your self-esteem and progress onto further education or employment upon completion. We will also deliver activities such as arts and crafts, cooking and parent and child crèche play.

STUDENT PROFILE:

Jade Coates
20
Bodmin
Specialist Support for Teaching and Learning
in Schools Diploma Level 3

“Young Mums Will Achieve has meant everything to me; not just for the future of my daughter Sophie but for me as well. The programme is brilliant and gives young mums something to look forward to, actually helping them to achieve. It’s a different path that has given me the opportunity to do something that I actually want to do.”

STUDENT PROFILE:

Rosie Brosnan
18
Camborne
Nail Services NVQ Level 2

“Young Mums Will Achieve has given me a chance to meet people in the same circumstances as me. I have made new friends and socialise more. I have obtained qualifications which have enabled me to progress to a Nail Services course at Cornwall College Camborne.”
