We would therefore appreciate your support, patience and understanding when you are receiving any service. Please note: Children under eight are not permitted in the salons.

As training salons, all services at Koko are offered at greatly discounted prices compared to high street salons. To ensure that all students are treated equally, it is not possible to book appointments with individual students.

Certain services are only available at certain times and at certain salons, and all are subject to availability. Please see our website or speak to a salon receptionist for further information.

All patch tests must be renewed each term, at least 24 hours before treatment.

The Cornwall College Group is not responsible for personal belongings; they should be kept with clients at all times.

At Koko salons we only use professional products. These are available to purchase in retail sizes, so you can continue your professionally recommended hair care and beauty regime at home.

Please allow enough time before your appointment for parking and consultation.

Our regular enewsletter gives details of new services and product offers. To join the mailing list, please give your email address to the salon receptionist.
